

Eftpos with tyro

Are you looking for flexibility, value, and smart solutions from your EFTPOS provider? It may be time to talk to Tyro.

Not only does Tyro integrate seamlessly with Infusion products, Tyro have over 36000 merchants across Australia, and have been innovating in the EFTPOS space since 2003.

So, Why Tyro?

- ⓘ Seamless integration – Reduce keying errors and simplify end-of-day reconciliation
- ⓘ Tap & Save2 – When your customers tap their debit cards, we'll route eligible transactions through the cheapest network, saving you on processing costs
- ⓘ Connectivity that suits you – With WiFi and 3G backup. Plus dual live data centres
- ⓘ 24/7 support – 100% Australian-based Customer Support
- ⓘ Lightning-fast speeds – Keep queues short with fast transactions speeds
- ⓘ No lock-in contract – Setup fees – Cancellation Fees
