

# Infusion Shopify Webstore

Expose your product range for retail sales online on the world's most trusted eCommerce platform Shopify fully integrated with your Infusion business software.

## SELL YOUR PRODUCTS ONLINE WITH EASE

Shopify is the most user-friendly retail eCommerce platform out there. With a vast range of standard and premium themes available you will be able to present your business online with all it's glory while at the same time making it easy for you to update content at any time.

The Convergence CODI eCommerce integration will synchronise all relevant product details from Infusion to Shopify to create beautiful product pages with detailed descriptions, images, PDF files, video links and other information your customers are searching for. Arrange products by type, category and subcategory to make navigating to and finding products easy and convenient.

Online invoices flow back from Shopify to Infusion without the need for any human intervention, manual data entry or dealing with .csv files etc.
