

Infusion BI

Harness the power of Microsoft Power BI to analysis and report on your data in real time.

ANY DATA, ANYWHERE, ANY TIME

Power BI is a cloud-based business analytics service that gives you a single view of your most critical business data. Monitor the health of your business using a live dashboard, create rich interactive reports with access your data on the go with the Mobile App.

You can use the Infusion BI Data Feed to create your own graphs and reports or use the Full Infusion BI module complete with a range of standard Graphs and reports. Additional customised graphs can be created

Standard Graphs include:

Customer Sales

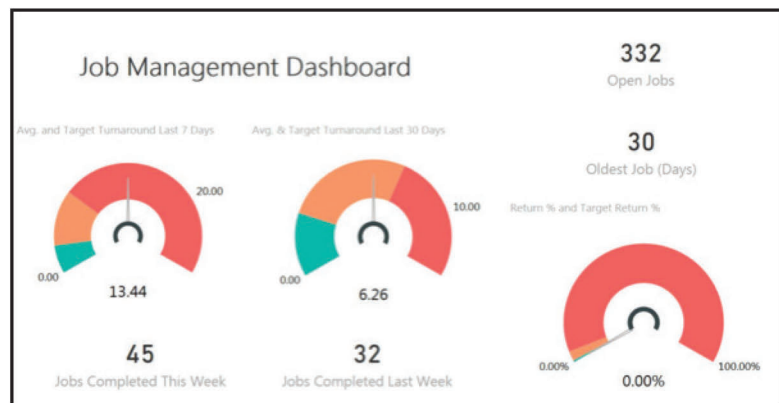

- Today
- Yesterday
- Last Week
- This Week
- Sales Overview
- Sales By Customer
 - Group
 - Type
- Historic Sales

Product Sales

- Sales By Product
- Sales By Type, Group
- Customisable ranges
